

Hood Park Squash

Application to join the squash leagues

Participation in the squash leagues is open to players of **ALL** standards. Apart from the initial registration fee, it is completely free (you just share the cost of the court with your opponent).

Please complete this form and hand it in to the leisure centre reception with the registration fee of **£2**.

You will be entered into the next league period. We will do our best to include you in the league of your choice, but this is dependent on there being a space available.
